The 15th Annual Tidewater Winter Classic

February 22, 2020

York River State Park, Williamsburg, VA

The College of William & Mary is proud to present the Tidewater Classic in conjunction with our sponsors and USA cycling. This race is open to collegiate and domestic racers.

Registration

Collegiate and open registration can be found the link provided through USAC

Collegiate Road Races: \$20
Open Road Races: \$35
Additional Races: \$10

Day-of registration begins at 7:30 am and **closes 30 minutes prior to each race**. The day of registration fee increases by \$5 from the original registration cost (including a \$4 USAC fee). There is an additional fee for parking at York River State Park of \$4 per car. Please do not park on the roads of the designated course.

Race Day Events

Trek Bicycle Williamsburg will provide FREE coffee, lunch, and snacks to all racers. There will be music, free food, and an opportunity to check out Trek's newest, coolest gear!

Sponsors

Thank you to all of our sponsors for their support! We are so happy to continue to host this race and contribute to the cycling community!

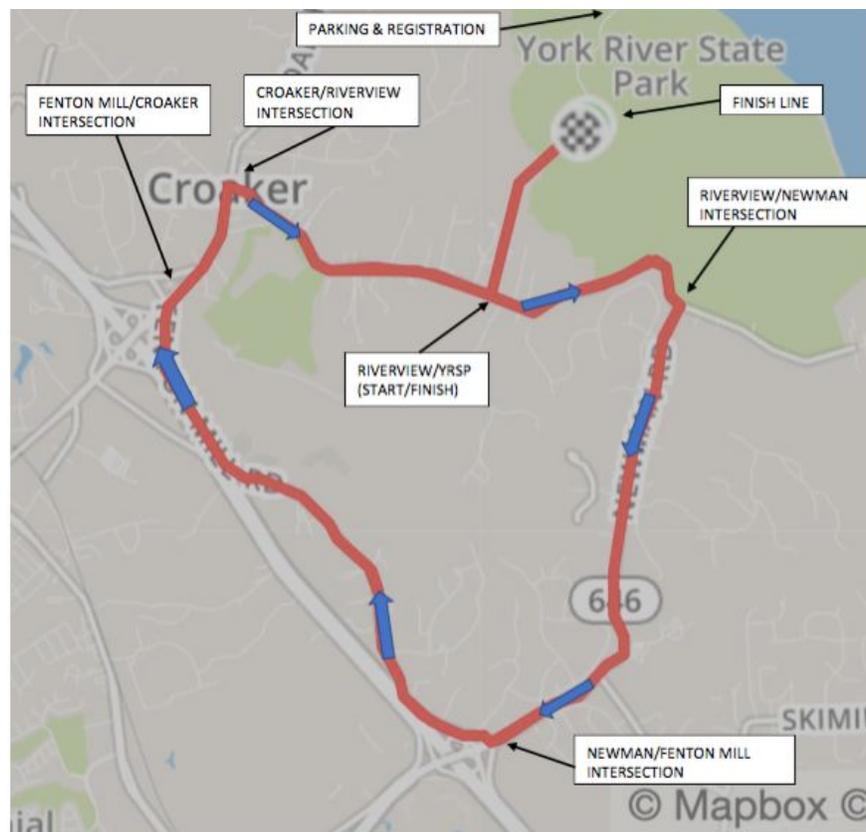

Directions to York River State Park

From I-64, take exit 231-B (Croaker Road). Follow this road for one mile and then take a right at Riverview Road. The park entrance is on the left in 1.5 miles. Proceed to the designated parking area at the end of the park entrance road. Please take caution of riders and spectators. There is a \$4 parking fee (cash is highly preferred) at the gate entrance.

The Course

The start line is located in York River State Park next to the designated parking areas. The course is a primarily flat, 9.5 mile loop with two overwhelmingly underwhelming climbs. From the start line, racers will have a 2 mile neutral rollout until they turn left onto Riverview Road. The route proceeds for 1.2 miles before taking a left onto Newman Road. After gently winding turns a plummet towards Barlows Pond and steep KOA hill climb awaits. Leveling off after a right turn onto Fenton Mill Road, expect periods of long straights until tight turns at Croaker and a dash back to York River State Park. Racers will finish uphill, halfway up York River Park Road (spectators can walk along the YRP road from the starting area). In the case that a rider is passed by the follow cars of the main group, riders must obey all traffic laws.

Race Information

Category	Distance	Start Time	Prize List
Men's 4/5	2 laps (21 mi)	8:30 am	Swag*
Men's D	2 laps (21 mi)	8:35 am	Points

Fine Print

Collegiate fields are open only to full time collegiate students with valid USAC Collegiate licenses and full time high school students with valid USAC Junior licenses. Category 5 juniors should race with Collegiate D, Category 4 with C, Category 3 with B and Category 1-2 with the A field. Jerseys and bibs for all such riders must feature school names and/or logo, or be generic blank kits; non-scholastic club and trade team kits are not permitted. USA Cycling licenses will be available for purchase on-site. Consult the USAC website at www.usacycling.org for more information on categories, eligibility, licensing, and other general questions.
